Call for Tutorials

Overview

EWSN 2010, the European Conference on Wireless Sensor Networks, is the seventh of a series of annual meetings focusing on the latest research in the area of wireless sensor networks. EWSN 2010 will be held at the University of Coimbra, Coimbra, Portugal, on 17-19 February, 2010. Its tutorial session is designed to attract researchers and practitioners from both academia and industry to exchange the latest research results. We invite you to submit high-quality tutorial proposals to EWSN. Tutorials should focus on recent cutting-edge R&D topics in sensor networks and should be self-contained in nature.

Submission Information

A proposal shall include:

1. Tutorial title
2. Tutorial speakers including affiliation and a short CV
3. One or two-page description of tutorial that clearly states
 - (i) the scope of tutorial and learning objectives
 - (ii) target audience and expected attendance
 - (iii) logistic requirements beyond class room style setting for presentation, and
 - (iv) a list of previous offerings of the tutorial (if any).
4. Presentation slides (this is optional but high recommended)

Email your tutorial proposal directly to the tutorial co-chairs. This
